Details

\*To guarantee a good premium-reserved seat, you **must** call our box office up to  
**48 hours prior to show time.**

*These shows may sell out so please do not show up without a reservation, or expect to have a good  
seat held for you at the door without calling first.*

\*Preferred seating is **only** guaranteed if you call up to 48 hours prior to show time to request a ticket.

\*If you choose to walk-up without calling us first, that's fine. You may still get a ticket at the door, but  
don't expect the seat to be in our “premium reserved section.”

*You will be seated in whatever seat is leftover from advance sales and sold at the door.*

\*An “Unlimited Admission Donor Pass” is only valid for one person per performance, for the entire run  
of one production, and is transferable, to be used by members of the  
company member's immediate household/parents or siblings only. No exceptions.

**To get your “Unlimited Pass” please fill out a ticket order  
form enclosed in your “Parent Packet” you will receive at  
the Parent Reception on February 2 at 7pm**
