

SANTA MONICA HIGH SCHOOL THEATRE
Winter 2006

Annie Company Members:

— Notice about Theatre Water —

You may have free Sparkletts water from the water cooler outside the production office anytime. Please be mindful when taking the water, as we only get 2 five gallon water bottles per week. The catch is you must bring a cup or water bottle to refill. We will give you one cup, labeled with your name on it at the beginning of the rehearsal process.

PLEASE KEEP THIS CUP

(unless you want to buy more cups for everyone, this is the only cup you will get)

or

BRING A WATER BOOTLE FROM HOME

*(again, please be mindful when refilling your water bottle
as we only get 2 five gallon water bottles per week)*

or

**SUPPORT THE THEATRE PROGRAM
BUY A BOTTLE FOR \$1**

*(water is available for sale in the production office.
if you take a water when Brett is not there, please be honest and leave a dollar on Brett's desk)*

**KEEP THE WATER BOTTLE YOU PURCHASED
AND REFILL IT!**

We recycle, we care.
